Mr. Minges,

Southland Utilities has had as much time as we have to get their documentation in order. We are NOT inclined to agree to provide them with any additional time in order to mount their case. We have adhered to the time requirements needed to file our side of the story and they should be made to do the same. Please disregard the phone message left by my wife earlier.

Please contact me regarding a request for a three day extension of time to file testimony that was submitted by Southland Utilities. As the hearing date remains unchanged, I am inclined to grant the request unless it is opposed and will be issuing a directive to that effect this afternoon if there is no response by 2:00 today.
